SKILLS INVENTORY

As a voluntary, nonprofit organization, the Sandhill Soaring Club depends on the contributions of its members in order to survive and thrive. Routine maintenance tasks must be carried out on a year-round basis. Some projects, such as aircraft fabric work, or maintenance on winches or ground tow vehicles, required skilled individuals. Other jobs, such as moving grass, painting, clean-up, etc., do not require as high a level of skill. Remember that the club runs on volunteers!

Please list any special skills or interests you have that might contribute to enhancing the club.

Skill Level Key: 1 No ability 2 Willing but untried 3 Some experience 4 Pretty good 5 Professional

	1	2	3	4	5		1	2	3	4	5

APPLICATION REVIEW

Membership applications are reviewed by the club's Board of Directors during its regular monthly meetings. Acceptance of new members depends upon the current availability of membership openings, our current workload for flight instruction and/or field checkouts, and the current need for special skills such as CFGs or towpilots. The Sandhill Soaring Club Membership Chair will inform you of the status of your application and your position on the membership waiting list.

ACKNOWLEDGMENT

I have read and understand the club fees and general rules of the Sandhill Soaring Club, Inc., including the requirement for periodic work participation, as described in the club's current rules. I have no known medical problems or deficiencies that would preclude my safely operating a glider. I hereby make application for membership in the Sandhill Soaring Club, Inc., and in consideration thereof, I release and hold harmless the club and each of its members from any liability arising from my membership and participation in the Sandhill Soaring Club. If accepted, I (and my family) agree to abide by all applicable rules and regulations of the club, as stated in its information flyer, Bylaws and Flight Rules & Operating Procedures.
